

Infopack Italian Championship 2026

Dear Cainite friends,

here you will find all the info you need to attend the 2026 Italian National Championship weekend, held from February 27th till March 1st, 2026.

Since being competitive is just one of our aims and we are looking forward to having fun with you all, here are all the info to stay at the location and to attend the events.

When?

The daily planning will be as follows:

February 27th, starting at 21:00 - Night Event “Don’t tell me to forget!”, single match

February 28th, starting at 9:15 - Italian Championship – (3R + final)

March 1st, starting at 9:30 - Side Event “Trento the day after...” – (2R + final)

Where?

All the events will take place at Hotel Paoli, Caldonazzo (<https://www.paolihotel.com/>).

All matches will be held in a dedicated large hall. Meals will be available at the Hotel.

It's also possible to book stays at the Hotel, without advance payment: there is a special price for the tournament, and you can book directly by contacting the Hotel (specifying you are booking for the Asgard Aldeno event of February 28th).

If you plan to reach Trento by train local players will be able to come and collect you to get to the hotel, so just let us know in advance.

What are the rules for the Friday night's "Don't tell me to forget" Event?

Players will only be able to compete in a single match and they will score Victory Points (VP) as usual by ousting their prey, and they will score Pummel Points (PP) by beating the opponents' minions. Every Vampire sent in torpor will reward 1 PP, every minion destroyed in combat will reward 3 PP and every minion destroyed with a non combat Action will reward 1 PP.

The night's standings will be based on GW first and then VP+PP.
